

REMARKS

Upon entry of the present Preliminary Amendment-A the claims in the application are claims 1-12, of which claim 1 is independent.

The specification ,claims and abstract have been amended to overcome minor informalities therein, to be more consistent throughout and to delete reference numerals from the claims and abstract, while new claims 10-12 define additional aspects of the invention.

Applicant respectfully submits that all of the above amendments are fully supported by the original application. Applicant also respectfully submits that the above amendments do not introduce any new matter into the application.

Favorable consideration is respectfully requested.
